CONSULTATIONS FOR BUSINESS

BEAR & DRAGON BUSINESS SOLUTIONS LIMITED provides consulting services to clients in various business areas in the Russian Federation related to foreign economic activity, wholesale trade, logistics and distribution. We provide information and analytical support and a full package of services for checking counterparties and transactions. We facilitate the conclusion of contracts for foreign companies with direct producers of raw materials and finished products on the territory of the Russian Federation.

For each client, we prepare a personal solution to the tasks set, based on a thorough analysis of the input data and the development of a strategy.

If the client is focused on doing business in Russia or plans to carry out trading operations with the participation of Russian counterparties, we will be happy to provide the necessary advice for the client to organize a stable and profitable business with minimization of risks.

Best wishes,
BEAR & DRAGON BUSINESS SOLUTIONS LTD.
