

COMPANY PROFILE
& BUSINESS INFORMATION

BEAR & DRAGON BUSINESS SOLUTIONS LIMITED is a new dynamically developing trading company that brings together professionals from various industry sectors of the Russian industry, experts in international trade, taxation and logistics, analysts of the Russian commodity markets, as well as the CIS countries, Africa and Asia.

The priority direction of the company's activity is the establishment of long-term and promising trade relations between Russian and Chinese companies, the increase in trade between Russia and Asia, as well as consulting services for Chinese and other foreign companies in the Russian market.

Each employee of the company and its authorized partners in China have extensive experience in international trade and excellent knowledge of the raw materials markets of Russia and China. Every day we monitor new trends in international trade, study the most promising areas, establish links with direct manufacturers and raw materials sites, optimize supply chains in modern realities and improve the quality of our service for customers and partners.

The official partners of **BEAR & DRAGON BUSINESS SOLUTIONS LTD** in China are the following companies: **HAINAN MXJ INTERNATIONAL SUPPLY CHAIN MANAGEMENT CO. LTD** and **SHENZHEN RONGSEN SUPPLY CHAIN MANAGEMENT CO. LTD**

We provide services to both Chinese and Russian companies - we supply industrial raw materials to China and export Chinese products (industrial equipment, machines, machinery, etc.) to the Russian Federation.

We are open to mutually beneficial cooperation with each of our clients. For all questions and suggestions, we are available 24/7. You can get acquainted with the registration data of the company in the form below.

Best wishes,

BEAR & DRAGON BUSINESS SOLUTIONS LTD.
