## VEGETABLE OILS FROM MANUFACTURERS

We work with the largest manufacturers of sunflower oil, rapeseed oil, soybean and corn oil, as well as flaxseed oil. Our capabilities allow us to ship both unrefined oil and finished products in large wholesale quantities to anywhere in the world.

Depending on the client's needs, shipments by ship, rail, container shipments (flexitank) and truck loading are possible.

## BOTTLED OIL

Bottled oil is shipped in PET bottles of 1-2-5 liters. All products are certified. It is possible to fill the products into containers with the customer's label. Products are supplied in containers and also by road. One-time batches and long-term contract deliveries are possible.

## CONTAINER DELIVERY (FLEXITANK)

We deliver large quantities of rapeseed and sunflower oil by train in containers with flexitanks. Minimum quantity 1000 tons. Shipments by sea vessels from the ports of the Black Sea, as well as from the port of St. Petersburg, are possible. We supply oil from manufacturers from the central part of Russia, the south and the Altai Territory.
