#2-2023

Bear & Dragon

The **BEAR AND DRAGON BUSINESS SOLUTIONS LTD** company offers large wholesale supplies of the following medical consumables:

For surgery:

Surgical needles. Tool for piercing and sewing fabrics.

Suture materials. Threads that hold fabrics together when sewing.

Mesh endoprostheses. Hernia meshes designed for normal recovery of the patient after hernia removal.

Anesthesia kits. Consumables for patient anesthesia.

Drains. Devices for draining wounds.

Dressing materials. Gauze, bandages, plasters and other materials.

For diagnosis and treatment:

Syringes with needles. For intravenous administration of drugs, taking tests and other procedures.

Catheters. Instruments for connecting body tissues with the external environment for their treatment with drugs or emptying.

Probes. Instruments for carrying out diagnostic or therapeutic procedures in various cavities and channels of the body.

Urological instruments. Diagnostic and treatment tools for the genitourinary system in men.

Gynecological kits. Diagnostic and treatment tools for the genitourinary system in women.

For protection and disinfection:

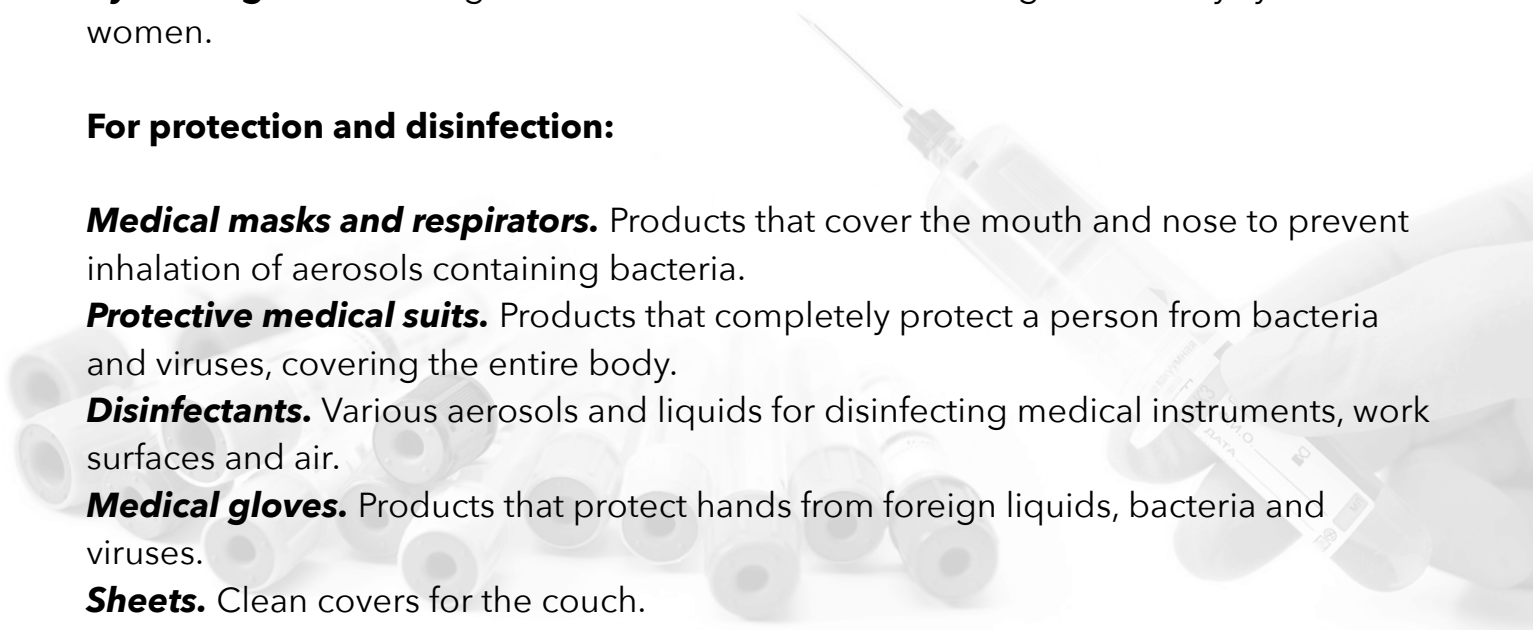

Medical masks and respirators. Products that cover the mouth and nose to prevent inhalation of aerosols containing bacteria.

Protective medical suits. Products that completely protect a person from bacteria and viruses, covering the entire body.

Disinfectants. Various aerosols and liquids for disinfecting medical instruments, work surfaces and air.

Medical gloves. Products that protect hands from foreign liquids, bacteria and viruses.

Sheets. Clean covers for the couch.

Shoe covers. Products for shoes to prevent the spread of dirt throughout the medical facility.
